PRODUCT

CROSS FRAME PENDANT LIGHT

SHFFELLBL003

DESCRIPTION

This Cross Frame Pendant Light hangs from the ceiling on a single rod with a warm wood-tone and brushed brass finish and a wide shallow drum shade with a visible cross brace frame at the open base, giving the pendant a wide, low-slung silhouette with structural frame detail visible from below. It suits hotel lobby dining table ceiling positions, boutique hospitality breakfast area overhead pendant installations, and lounge seating area lighting where a wide shallow drum pendant with a cross frame underside brings a warm, architectural character to the table or seating area below.
