PRODUCT

LINEAR SUSPENSION PENDANT LIGHT

SHFFELLBL006

DESCRIPTION

This Linear Suspension Pendant Light hangs from the ceiling on two parallel rods with a brushed brass finish and a wide rectangular fabric shade suspended horizontally between the two rod drop points, emitting light downward and outward along the full length of the rectangular shade. At 40 inches in length and 10 inches in shade height, it suits hotel lobby dining table linear pendant positions, boutique hospitality breakfast bar counter ceiling installations, and common area long table overhead lighting where a linear suspension pendant delivers a wide, directional overhead light output along the full length of the table or counter below.
