

**PRODUCT****DUAL CONTROL UTILITY  
FAUCET**

SHFFEF004

**DESCRIPTION**

This Dual Control Utility Faucet features separate hot and cold handles with a polished finish and a straight spout on a three-hole deck mount. With a 5-inch spout height and a flow rate of 1.5 GPM, it works well in hotel utility washrooms, back-of-house hospitality basins, and commercial bathroom installations where individual hot and cold control is a practical requirement.
