PRODUCT

RECTANGULAR FRAME DESK LAMP

SHFFELDL006

DESCRIPTION

This Rectangular Frame Desk Lamp sits on an open rectangular frame structure with a matte nickel finish where the frame itself forms both the base and the body of the lamp, rising to a wide square shade at the top. At 24 inches tall with a 13-inch shade, it suits contemporary hotel guestroom desks, modern hospitality executive suite work surfaces, and design-led room lighting positions where an architectural open-frame desk lamp with a structured geometric silhouette is the room lighting standard.
