ANGLED SHADE FLOOR LAMP

SHFFELFL008

DESCRIPTION

This Angled Shade Floor Lamp has an upright pole with a dark finish and a shade mounted at a fixed forward angle that directs light downward and outward toward a seating position. At 62 inches tall with a 14-inch angled shade, it suits hotel guest room reading positions, boutique hospitality suite seating corners, and lounge area installations where a floor lamp with a directional angled shade provides focused task light over a chair or low table.
