ARC ARM FLOOR LAMP

SHFFELFL010

DESCRIPTION

This Arc Arm Floor Lamp has a weighted base with a polished finish and a long arcing arm that extends the shade out over a seating area from a base positioned to the side. At 70 inches tall at the arc peak with an 18-inch shade, it is built for hotel suite lounge areas, boutique hospitality reading corners, and guest room seating positions where an arc arm floor lamp delivers broad overhead light from a floor lamp without a ceiling fixture above the seat.
