LANTERN STYLE FLOOR LAMP

SHFFELFL004

DESCRIPTION

This Lantern Style Floor Lamp has a slim pole with a dark finish and a structured lantern-form shade enclosure at the top that emits light through its open panel sides. At 60 inches tall with a 10-inch lantern enclosure, it works well in boutique hotel lobby areas, traditional hospitality suite interiors, and hotel corridor feature positions where a lantern-form floor lamp contributes a warm, considered lighting character to the space.
