RING ACCENT FLOOR LAMP

SHFFELFL007

DESCRIPTION

This Ring Accent Floor Lamp has a slim pole with a brushed finish and a circular ring light element at the top that emits a halo of ambient light rather than a shaded downward beam. At 60 inches tall with a 14-inch ring diameter, it suits boutique hotel suite accents, contemporary hospitality lounge corners, and design-led guest room positions where a ring light floor lamp contributes an atmospheric ambient quality to the space.
