TAPERED TOWER FLOOR LAMP

SHFFELFL009

DESCRIPTION

This Tapered Tower Floor Lamp has a tapered column body that widens slightly from the top downward, finished in a dark matte and topped with a narrow shade. At 64 inches tall with a 10-inch shade, it suits contemporary hotel suite feature corners, boutique hospitality lounge accents, and design-led guest room positions where a floor lamp with a tapered tower column form is a considered vertical design element in the room.
