TWIN ROD COLUMN FLOOR LAMP

SHFFELFL002

DESCRIPTION

This Twin Rod Column Floor Lamp has twin vertical rods rising from a weighted base with a polished finish and a wide drum shade at the top. At 62 inches tall with a 16-inch shade, it works well in hotel lobby seating areas, boutique hospitality suite lounges, and common area installations where a floor lamp with a sculptural twin-rod column brings a design presence to the lighting position.
