PRODUCT

RING DETAIL FLUSH MOUNT LIGHT

SHFFELHL001

DESCRIPTION

This Ring Detail Flush Mount Light mounts directly to the ceiling on a flat canopy with a brushed nickel finish and a frosted glass dome enclosed by a decorative ring detail at the fixture perimeter. At 13 inches in diameter with a 5-inch ceiling profile, it suits hotel guestroom hallway ceilings, boutique hospitality corridor ceiling positions, and entrance area lighting installations where a ring-detail flush mount delivers a clean, finished ceiling light with a decorative perimeter element that reads as considered rather than plain.
