DOUBLE DRUM PENDANT LIGHT

SHFFELLBL005

DESCRIPTION

This Double Drum Pendant Light hangs from the ceiling on a rod with a brushed brass finish and a wide fabric drum shade with a brass ring detail at both the top and the bottom shade edge, giving the pendant a clean drum form with warm brass accent rings framing the full shade height. At 24 inches in diameter and 12 inches in shade height, it suits hotel lobby statement pendant positions, boutique hospitality breakfast dining area ceiling installations, and common area overhead lighting where a wide drum pendant with brass ring framing at both shade edges brings a warm, finished character to the lobby or dining area ceiling.
