HALO RING PENDANT LIGHT

SHFFELLBL004

DESCRIPTION

This Halo Ring Pendant Light hangs from the ceiling on a slim rod with a brushed nickel finish and a clean drum shade with a visible halo ring detail at the base perimeter, giving the pendant a minimal, structured form with a single defined ring accent at the shade bottom. At 18 inches in diameter and 9 inches in shade height, it suits contemporary hotel lobby pendant positions, modern hospitality breakfast area ceiling installations, and common area overhead lighting where a clean drum pendant with a halo ring base detail brings a minimal, design-present character to the lobby or lounge ceiling.
