ARC ARM SCONCE LIGHT

SHFFELSL003

DESCRIPTION

This Arc Arm Sconce Light mounts to the wall on a back plate with a polished finish and a long arcing arm that extends the shade outward and downward from the wall surface in a smooth curve. At 18 inches of wall projection with a 12-inch shade at the arc end, it is built for hotel suite lounge wall positions, boutique hospitality guest room bedside arcs, and reading wall installations where an arc arm sconce delivers light from above and in front of a seated or lying guest position.
