CLASSIC POLE SCONCE LIGHT

SHFFELSL009

DESCRIPTION

This Classic Pole Sconce Light mounts to the wall on a straight vertical pole arm with a polished finish and a wide tapered shade at the top. At 16 inches tall with a 12-inch shade, it suits traditional hotel guest room wall positions, classic hospitality suite accent lighting, and corridor installations where a straight-arm sconce with a tapered shade is the dependable, timeless wall fixture standard.
