SLIM DISC BASE SCONCE LIGHT

SHFFELSL005

DESCRIPTION

This Slim Disc Base Sconce Light mounts flush to the wall on a slim disc back plate with a polished finish and a small directional shade projecting forward from the disc. At 10 inches tall with an 8-inch shade, it suits modern hotel guest room wall positions, minimalist hospitality corridor accent lighting, and contemporary suite wall installations where a clean, low-profile sconce with a slim disc mount is the wall lighting standard.
