SH SARA HOSPITALITY

PRODUCT

LINEAR CUBE BAR VANITY LIGHT

SHFFELVL002

DESCRIPTION

This Linear Cube Bar Vanity Light mounts horizontally above the mirror on a flat linear bar with a brushed nickel finish and four square cube shades mounted upright along the bar, each shade emitting light through its frosted glass panels in all forward directions. At 34 inches wide with four square cube shades, it suits contemporary hotel guestroom bathroom vanity walls, modern hospitality suite mirror positions, and design-led property bathroom lighting installations where a geometric cube-shade bar vanity light brings a structured, architectural character to the bathroom wall above the mirror.
