TIERED PANEL VANITY LIGHT

SHFFELVL005

DESCRIPTION

This Tiered Panel Vanity Light mounts horizontally above the mirror on a structured bracket with a brushed nickel finish and multiple rectangular frosted panel shades arranged in a stacked tiered formation, with each tier stepping outward from the wall in a layered configuration. At 30 inches wide with three tiers of panel shades, it suits design-forward hotel guestroom bathroom vanity walls, boutique hospitality suite mirror positions, and contemporary property bathroom lighting installations where a tiered panel vanity light brings a layered, sculptural character to the bathroom wall above the mirror.
