DOUBLE BOWL KITCHEN SINK

SH-102

DESCRIPTION

This Double Bowl Kitchen Sink is formed from a solid surface material with a satin finish and two equal-width bowls side by side on a drop-in countertop installation. At 33 inches wide and 22 inches front to back, it is built for hotel kitchen facilities, hospitality back-of-house prep areas, and commercial kitchen installations where a two-bowl sink configuration handles simultaneous washing and rinsing tasks.
